

Gain hundreds of qualified sales leads with these targeted opportunities!

How does it work?

You select a topic and we work with your presenter.

Sample Webinar Topics

Sit/Stand Workstations, OSHA & Ergonomics, Integrating Workplace Wellness and Ergonomics, Workplace Safety, Setting Up an Ergonomically Sound Workstation, Material Handling, Ergonomics Issues in Healthcare

2017 Webinar Dates

Sponsorships should be booked at least eight weeks prior to the Webinar date to allow time for presentation development and to maximize registration promotion.

As a sponsor, your logo will be prominently placed:

- On the **ErgoExpo** Webinar webpage in conjunction with your sponsored Webinar
- In a minimum of two pre-Webinar email promotions to the **ErgoExpo** database reaching 55,000+
- On the introductory and conclusion Powerpoint slides of your sponsored Webinar

Along with the increased branding exposure you receive as a sponsor, you also get:

- Company recognition alongside the FREE on-demand Webinar available for up to a year after the live event on the **ErgoExpo** Webinar webpage
- The opportunity to include a Powerpoint slide with your targeted advertising message
- All pre-and post-Webinar production by LRP Conferences
- Post-Webinar registrant contact list – including emails
- Webinar recording (.wmv file)
- 3 priority points towards your booth pick at the **National Ergonomics Conference & ErgoExpo**

“Sponsoring an **ErgoExpo** webinar was one of the best marketing decisions we’ve made. We received hundreds of qualified leads via an educational format that was well received by these sophisticated participants. The process was painless. I highly recommend sponsoring an **ErgoExpo** Webinar, it’s a perfect adjunct to the Expo itself connecting you to safety and health professionals that attend **ErgoExpo** and beyond.”

Jon Biggs, Director of Sales & Marketing, Kinesis Corporation
